Conservation Kits

To help aid in effective irrigation, the City of Coachella is pleased to offer free outdoor water conservation kits to our customers. The Outdoor Water Conservation Kits contain a 2-hour garden hose timer and a 7 spray water saving garden hose nozzle.

Why use a Water Conservation Kit?

Leaks cost money. Using a conservation kit is one small way you can reduce your water usage - just install the conservation tools and it does the work for you. During the summer watering season, household water use can increase dramatically. Watering lawns, tending to gardens and forgotten hoses can mean big bills. Conservation kits are just one way we can all work together to save water, and money.

Where can I get a Water Conservation Kit?

Please call 760-501-8100 for an appointment to pick up a kit. **Please bring a copy of your water bill.** Kits are available Monday thru Thursday 7:30 am to 5:30 pm. Supplies are limited and are on a **first come first serve** availability.
